# NETWORKING BREAKFAST INCLUSIVE LEADERSHIP AND GENDER BALANCE

You are cordially invited to join Sodexo at our networking business breakfast for the oil & gas community here in Aberdeen.

Our aim is to build awareness and share best practice on the power of inclusion versus the challenge associated with gender balance in the workplace.

We have an exciting programme for this event, which will open your mind to global trends and impact on your business future.

Our keynote speaker is Allyson Zimmermann, Executive Director of Catalyst Europe. Allyson is a recognized authority on workplace issues including women on boards, the gender pay gap and women in leadership and is often sought after and quoted in European and world media.
