

Industry Behaviours Charter

In support of the Efficiency Task Force for maximising economic recovery

This industry charter, signed by members of Oil & Gas UK and supported by the Oil and Gas Authority, is a collective commitment to work effectively, efficiently and co-operatively.

It will be applied by every company, and to all activities, in order to achieve transformational change for the UK's offshore oil and gas industry.

Our Vision

To promote the behaviours that will deliver a safe, competitive and sustainable industry capable of maximising economic recovery in the UK Continental Shelf and therefore best serving its stakeholders.

In pursuit of this, my business will:

1. **Be an early adopter** of efficiency initiatives and new technology, sharing learnings with others
2. **Provide access to decision makers** through a specific, fast access point, in order to escalate issues
3. **Strengthen industry co-operation** through continual improvement in and support for, industry codes of practice, forums and standards
4. **Contribute to performance improvement** by ensuring transparent and time-bound legal, commercial and contractual engagements
5. **Commit to continuous improvement** through regular review of the delivery of this Charter, across all levels of my business.
