Opportunities to promote your business at our industry leading flagship event

OIL&GAS^{UK}

The OGUK Industry Conference

The crucial role of Vision 2035 in driving the continued competitiveness of the UKCS will come under the spotlight at the OGUK Industry Conference.

With a 2019 conference theme of **Industry in Transition**, delegates will hear industry leaders and keynote speakers reflect on the people, business processes and diversification opportunities needed to unlock growth as the sector continues to emerge from one of the toughest downturns in its history.

At the heart of the agenda is industry's shared ambition for the future - **Vision 2035** – which looks to add a generation of productive life to the UK Continental Shelf and expand supply chain opportunities at home, abroad and into other sectors.

The agenda will take on three broad areas; **energy transition, business transition and people transition.**

Reasons To Get Involved

- Align your company with this key industry event and promote your messages to a targeted audience of decision makers
- Hear from key industry leaders, government representatives, specialists and regulators
- Network with over 500 industry colleagues
- Explore the wide range of conference exhibitors
- Share your views on topics affecting the industry
- Be part of the solution to maximise economic recovery from the UK Continental Shelf

2017 Conference

2017 Feedback

Excellent presentations and panel discussions

Wonderful - chairman of this session was great at keeping things moving

Great practical examples which have given us good ideas around what we might achieve internally and across partners

Great choice of speakers

Really helpful info and data that I can now share with my team

Very good session offering insights into the investment decisions being made and the rationale behind them
