<b>Group Name</b>	Decommissioning Forum
Group type (Forum/ Technical, Special/ Network/ Task – Finish Group (“TFG”))	Forum
<b>Chair and Vice Chair</b> (if applicable) (Rotation, if applicable)	Chair: Director Upstream Policy Vice Chair: Late Life and Decommissioning Manager
Issue Date	6 March 2017

### Rationale/Objectives

- Regularly engage membership, inform, share, test policy positions and strategy on decommissioning related issues;
- Enable members of Oil & Gas UK to address scope, risks, remit, regulation and costs of decommissioning;
- Consider industry-specific issues independently from regulators;
- Receive insight on the work of the OGA MER Decommissioning Task Force and of BEIS relating to decommissioning;
- Commission Task Finish (Work) Groups where necessary to pursue specific issues or undertake such projects as are deemed necessary to support the forum’s aims.
- In doing so it will work closely with the regulator(s) - OGA and BEIS who may attend sessions when invited to do so.

### Membership

#### Open to all members

*Non-members may be invited to attend for particular topics where those organisations have a relevant contribution or expertise, and this may include government regulators.*

### Meeting Frequency

At least annually

### Work Programme

The Forum will present progress and outcomes from tasks ongoing within Oil & Gas UK and other industry partners.
